Rules for Tin Can Bay and Bundaberg Slipways

1. The Slipways and grounds are industrial workplace sites. All Workplace Health and Safety regulations apply, including the wearing of covered shoes at all times.
2. Insurance for slipping vessels -
 - a. All owners should notify their insurance company of slipping dates.
 - b. Only vessel owners and spouses or partners are allowed on site. (Sorry no visitors)
 - c. Once again, because of liability issues, the only workers allowed on site are Slipway staff and Contractors who contract directly to Hillcrest (RALL) Pty Ltd, trading as Bundaberg Slipways and Tin Can Bay Slipways.

Product

Bundaberg and Tin Can Bay Slipways both carry a comprehensive range of products. As a part of your slipping package, we ask that when you book your vessel in, you notify us what products you need and use, so that we have it in stock for you. We do not allow products that have been sourced outside of the Slipways.

All worksites to be kept as clean as possible, at all times.

Thankyou for your enquiry. You have been supplied with:

- (a) Price List
- (b) Rules
- (c) Enquiry Form

Please peruse the Rules and if you are in agreement, complete the Enquiry Form and return it. We will contact you to make your booking.

Thankyou
