## BUNDABERG SLIPWAYS RULES

1. Definitely no work of any nature to be done in storage areas.
2. You are responsible for your boat. Check acrow props and stays regularly.
3. When working, containment is of extreme importance. Regulatory Authorities insist on all dusts, liquids etc to be contained and disposed of properly.
4. Oils etc to be placed in drums in bunded area.
5. All rubbish to be placed in bins or directly into *FRED* the rubbish truck.
6. Be aware of boats beside and around you at all times. Protect their investment as well as your own.
7. All sites to be cleaned at end of day's work.
8. All sites will be inspected before return of boat to water and a clean-up fee of \$500 will be charged if any material of any description is left on site.
9. If you are not sure what you are allowed or not to do – please ASK, don't assume.
10. This is a work site, beware of cables, machinery etc.
11. Common sense prevails.

*These rules need to be applied and adhered to so that Bundaberg Slipways can continue to provide you with a place to service your vessels in a friendly and affordable atmosphere.*
